## University College Old Members' - Oxford Australia Fund Scholarships

### 1. *The Awards*

Scholarships, funded through the generosity of Australians who have studied at University College at Oxford University, will be available in 2010-2011 for graduates from Australia to study at Oxford University.

The University College Old Members' - Oxford Australia Fund Scholarship is open to any discipline and is generally tenable for two years, or, in the case of a D.Phil degree, for three years. The scholarship is also intended for those wishing to study for a second undergraduate degree or a graduate degree in the Arts or Social Sciences. Normally, the scholarship is intended for undergraduate and graduate students studying or working in Australia to pursue their first international degree.

### 2. *Eligibility*

The scholarships are open to Australian citizens normally resident in Australia, normally under the age of 30 years on 1 January in the year in which the scholarship is to be taken up. They should hold a Bachelor's degree with first or upper second class honours, or its equivalent, from a recognised university.

### 3. *Value of the Awards*

The scholarships provide up to \$12,000 per annum in the year 2010/11.

Successful candidates may hold other awards with the approval of the Committee. In the case of scholars winning an additional scholarship to Oxford, the James Fairfax Oxford Australia Scholarship Committee will want to know from the scholars its value and may

wish to withhold an amount from the University College Old Members' - Oxford Australia award.
