OXFORD-AUSTRALIA SCHOLARSHIPS COMMITTEE

**Magdalen College – Oxford Australia Fund and**

**Ian Wilson-Guy White – Magdalen College  
Oxford Australia Fund Scholarships**

*1. The Awards*

Scholarships, funded through the generosity of Australians who have studied at Magdalen College at Oxford University, particularly the late Hon Ian Wilson and Dr Guy White, will be available in 2016-2017 for graduates from Australia to study at Oxford University.

The Magdalen College - Oxford Australia Fund Scholarship and the Ian Wilson-Guy White – Oxford Australia Fund Scholarship are open to any discipline and are generally tenable for two years, or, in the case of a D Phil degree, for three years.

*2. Eligibility*

The scholarships are open to Australian citizens normally resident in Australia. They should hold a Bachelor's degree with first class honours, or its equivalent, from a recognised Australian university.

**Normally, the scholarship is intended for undergraduate and graduate students, currently studying or working in Australia, to pursue their first international degree.**

**It is the responsibility of each applicant to ensure that their qualifications meet the requirements of their chosen Oxford University course.**

### 3. *Value of the Awards*

The scholarships provide up to \$12,000 per annum in the year 2016-17.

Successful candidates may hold other awards with the approval of the Committee. In the case of scholars winning an additional scholarship to Oxford, the Oxford Australia Scholarship Committee will want to know from the scholars its value and may wish to withhold an amount from the Magdalen College or Ian Wilson-Guy White Magdalen College Oxford Australia award.

### 4. *Application Procedure*

i. The Oxford University online application requires full documentary evidence of relevant academic performance and reports from three referees. Candidates must also include a statement describing their reasons for applying for this course of study and the Oxford Australia Award and also outline their future career plans and intentions.

ii. Candidates whose citizenship is stated as Australian and whose academic record is from an Australian university will automatically be considered for the Oxford Australia Scholarship when completing the online Graduate Application Form at [www.graduate.ox.ac.uk/applyonline](http://www.graduate.ox.ac.uk/applyonline).

iii. **All graduate applications to Oxford University are automatically considered for a Clarendon Award ([www.clarendon.ox.ac.uk](http://www.clarendon.ox.ac.uk)).**

### 5. *Closing dates and timelines*

The application deadlines for each Oxford University course are set out at <http://www.ox.ac.uk/admissions/graduate/applying-to-oxford/application-guide>. **It is the responsibility of each applicant to check for the relevant deadline.**

A shortlist of candidates for the scholarship will be drawn up during March 2016 and interviews, if needed, will be organised by the Oxford Australia Fund Scholarships Committee, to be held in Australia in April/May.
